

QUALIFICATIONS STATEMENT OF

GREG BOOTH

Witness for Clatskanie People's Utility District

Q. Please state your name, employer and business address.

A. My name is Greg Booth. I am employed by the Clatskanie People's Utility District, 469 N. Nehalem, Clatskanie, OR 97016.

Q. In what capacity are you employed?

A. I am Clatskanie People's Utility District's General Manager. I am responsible for the overall management of the District Subject to Policy direction of the elected Board of Directors. I have held this position since July, 1998.

Q. Please state your educational background.

A. I received a Bachelors of Arts Degree in Economics and Business Administration from Central Washington University in 1975.

Q. Please summarize your professional experience.

A. From February, 1976 through October, 1980, I was employed as an Economist with the Bonneville Power Administration. In this position, I was responsible for load forecasting, facility needs assessments, energy conservation efforts and state government relations in the Idaho Falls District.

From October, 1980 to December, 1986 I was employed by Port Angeles City Light as a Power Manager. My responsibilities included power supply, rates, resource development, industrial customer relations load management and energy conservation and economic development.

From January, 1987 to June, 1998, I was employed by Tillamook People's Utility District as a Power Manager. My responsibilities included power supply, rates, resource development, industrial customer relations load management and energy conservation and economic development.

Q. Please state your experience as a witness in previous BPA proceedings.

A. I was a witness in one of the BPA rate cases during the 1980's, maybe the 1987 rate case.
