

**QUALIFICATIONS STATEMENT OF
MICHAEL TOMPKINS**

Q. Please state your name, employer and business address.

A. My name is Michael Tompkins. I am the Vice President of Wauna Mill and NW Regional Operations for Georgia-Pacific LLC. My address is 92326 Taylorville Road, Clatskanie, OR, 97016.

Q. Please state your educational background.

A. I graduated with a B.S. in Paper Science from Western Michigan University.

Q. Please summarize your professional experience.

A. I have been employed for over 30 years in Pulp and Paper manufacturing. I joined GP in 1982 as a process engineer; at various facilities, I have worked as production manager – fine paper and general manager.

When GP acquired the facilities of Fort James in 2000, I was given responsibility for integrating operations of the acquired asset base. I was named manager of operations at Camas in 2002 and promoted to vice president there in 2003. I was given oversight responsibility for Bellingham, Wauna and Halsey in 2007. In 2008, I was promoted to the vice president mill manager role at the Wauna mill, retaining my oversight responsibility for Camas and Halsey. As part of my responsibilities as vice president, I am responsible for the Wauna Mill's relationship with Clatskanie PUD, and for managing the mill's energy procurement costs.

Q. Does this conclude your testimony?

A. Yes.
