20 **Q. Please state your name, employer and business address.**

21 A. My name is Doug C. Smith. I am employed by Grays Harbor Public Utility District
22 (“GHPUD”), 2720 Sumner Rd, Aberdeen, WA 98520.
23

24 **Q. What is your job title and responsibilities?**

25 A. I am the Assistant General Manager for GHPUD. I have responsibilities in all areas of
26 managing the utility, including power supply risk management, power resource planning
27 and acquisition, conservation, human resources, communications, customer service, and
28 operations.
29

30 **Q. Please state your educational background.**

1 A. I hold a Bachelors of Science degree in Mechanical Engineering from The University of
2 Texas at Austin.

3
4 **Q. Please summarize your professional experience.**

5 A. From 1984 through 1992, I owned and operated a construction company in Austin,
6 Texas. From 1992 through 1997, I worked as a consulting engineer in a private
7 engineering firm, providing energy conservation and energy system design and analysis
8 for a variety of commercial, industrial, and institutional clients.

9
10 From 1997 through 2001, I worked at Platte River Power Authority in Fort Collins
11 Colorado. At Platte River, I provided energy conservation and power quality consulting
12 services to commercial and industrial customers on the Platte River system in Fort
13 Collins, Loveland, Longmont, and Estes Park, Colorado. In addition, I was responsible
14 for data collection and performance analysis at Platte River's Medicine Bow Wind
15 Project in Medicine Bow, Wyoming. I was also responsible for annually updating Platte
16 Rivers Integrated Resource Plan.

17
18 From 2001 through the present, I have worked for GHPUD. I served as the manager of
19 the Energy & Conservation Services Department until November, 2003, at which time I
20 assumed my present position of Assistant General Manager.

21
22 **Q. Please state your experience as a witness in previous proceedings.**

23 A. I provided testimony in the WP-07 Supplemental Rate Case.
