

1 QUALIFICATION STATEMENT OF

2 PAUL D. GARRETT

3 Witness for the Bonneville Power Administration

4 *Q. Please state your name, employer, and business address.*

5 A. My name is Paul D. Garrett. I am employed by the Bonneville Power Administration  
6 (BPA), 905 NE 11th Avenue, Portland, Oregon.

7 *Q. In what capacity are you employed?*

8 A. I am a Public Utilities Specialist in the Transfer Services section of the Northwest  
9 Requirements Marketing group in Power Services.

10 *Q. Please state your educational background.*

11 A. I graduated from Willamette University in 2005 with a Bachelor of Arts degree in  
12 Politics, and from Willamette University's Atkinson Graduate School of Management in  
13 2006 with a Master in Business Administration degree.

14 *Q. Please summarize your professional experience.*

15 A. I have worked for BPA since March 2006, when I was hired into the Power Scheduling  
16 Coordination section, which was then located in the Generation and Asset Management  
17 group of Power Services. In Power Scheduling Coordination, I worked primarily to  
18 produce short-term forecasts and schedules for BPA's customers served by transfer. I  
19 also performed some after-the-fact functions related to BPA's customers served by  
20 transfer.

21 In November of 2007, I moved to the Transfer Services section of the Northwest  
22 Requirements Marketing group in Power Services, where I administered various transfer-  
23 related agreements, including general transfer agreements and the newer Open Access  
24 Transmission Tariff network service agreements. While in this role, as well as the  
25 previous role, I also had significant responsibilities related to the policymaking, drafting,  
26 and eventual implementation of the Regional Dialogue agreements.

1                   From February and to August of 2010, I worked on a temporary basis in the  
2                   Western Customer Services section of the Northwest Requirements Marketing group in  
3                   Power Services as a Customer Account Executive. During this time I gained experience  
4                   implementing both Subscription and Regional Dialogue power sales agreements as well  
5                   as helping my customers, public utilities located in western Washington, work through,  
6                   understand, and resolve a variety of topics and issues.

7                   In mid-August of 2010, I rejoined the Transfer Services section of the Northwest  
8                   Requirements Marketing group in Power Services.

9                   *Q. Please state your experience as a witness in previous proceedings.*

10                  A. I served as a witness in the WP-10 proceeding on panels that sponsored testimony  
11                  relating to the topics of Transfer Services. Specifically, I was a witness for BPA's  
12                  proposal of the GTA Delivery Charge, Transfer Service Operating Reserve Charge, and  
13                  Supplemental Guidelines for Direct Assignment of Facilities Costs Incurred Under  
14                  Transfer Agreements.
