**ORDER GRANTING ICNU’S MOTION TO AMEND ORDER GRANTING
INTERVENTION**

On January 8, 2013 Industrial Customers of Northwest Utilities (IN) filed a motion¹ requesting an amendment to the order granting intervention in this proceeding. No responses to IN’s motion were filed by the deadline set by the Hearing Officer.²

IN’s motion requests an amendment to the Order Granting Intervention and asks that the Order list “Industrial Customers of Northwest Utilities” rather than “Industrial Customers of Northwest Utilities and Members.” IN states that its petition to intervene requested intervention for ICNU as an organization, and not on behalf of its individual members.

IN’s motion is granted and an Amended Order Granting Intervention is attached to this order as Attachment A.

SO ORDERED, January 14, 2013.
