2 **Q. Please summarize your professional experience.**

3 A. I am a licensed Professional Engineer in the State of Washington. I have been employed
4 by Public Utility District No. 2 of Pacific County for thirty-four plus years starting full-
5 time in February of 1979 as a Distribution Engineer. In this position, duties included
6 work in system planning, load growth studies, system protection and public safety, system
7 maintenance, system expansion, contract specifications, materials standards, contractor
8 inspection, system records, and power supply. In December of 1986, I was promoted to
9 and served for nearly eight years as Chief of Engineering/Operations Manager. The
10 duties of this classification are to direct and coordinate the activities of the Engineering,
11 Operations, and the Purchasing and Warehousing Departments. I became General
12 Manager in July of 1994, a position I hold today. As Chief Administrative Officer of the
13 P.U.D., the General Manager is responsible for representing, managing, and directing
14 District operations within the objectives, policies, and budgets established by the elected
15 Board of Commissioners. I am also responsible for developing and recommending to the
16 Commission long and short range plans and policies and objectives to meet the needs of
17 the P.U.D.

18 **Q. Please state your experience as a witness in previous proceedings.**

19 A. I have not served as a witness in a previous BPA proceeding.
