

**Errata to
2007 Supplemental Wholesale Power Rate Case Initial Proposal
Wholesale Power Rate Development Study
WP-07-E-BPA-49A-E1**

WRPDS Document, Volume 1: Description of Ratemaking Tables, Page 14:

Change the first two paragraphs from:

IP 2009 IP Rate Schedule Charge Calculation. Table calculates IP rates. Marginal cost rates are scaled down to produce rates that recover costs allocated to **PF** energy. Example shown is for FY 2009.

NR 2009 NR Rate Schedule Charge Calculation. Table calculates NR rates. Marginal cost rates are scaled down to produce rates that recover costs allocated to **PF** energy. Example shown is for FY 2009.
