**PETITION TO INTERVENE OF BROOKFIELD RENEWABLE TRADING AND
MARKETING LP**

Pursuant to the notice posted in the Federal Register on December 1, 2020, regarding the Bonneville Power Administration’s (“BPA”) Fiscal Year 2022-2023 Proposed Power and Transmission Rate Adjustments Proceeding Public Hearing and Opportunities for Public Review and Comment, 85 Fed. Reg. 77,189 (2020) and sections 1010.4 and 1010.6 of the Rules and Procedure Governing BPA Rate Hearings, 83 Fed. Reg. 39,993 (Aug. 13, 2018), Brookfield Renewable Trading and Marketing LP (“BRTM”) hereby files this Petition to Intervene as a party in this proceeding.

I. PETITION TO INTERVENE

BRTM, a subsidiary of Brookfield Renewable Partners LP (“Brookfield Renewable”), provides energy marketing services and support to power generation facilities owned and operated by its Brookfield Renewable affiliates operating in the United States and Canada. BRTM is authorized by the Federal Energy Regulatory Commission to act as a power marketer engaging in

BP-22-S-BR-01-CC01

wholesale electricity sales at negotiated, market-based rates throughout the United States, including the larger Western bilateral market. In support of such sales, BRTM secures transmission service over the BPA transmission system.

Brookfield Renewable owns and operates one of the world's largest publicly traded, renewable energy power platforms. Brookfield Renewable's global portfolio consists of hydroelectric, wind, solar and storage facilities in the United States, Canada, South America, Europe and Asia, and totals over 19,000 megawatts of installed capacity including almost 2,700 MW of pumped storage.

The rates that BRTM will eventually pay to BPA for power transmission are the subject of the above-referenced proceeding. As a result, BRTM has an interest in the outcome of this proceeding that cannot be adequately represented by any other party. Accordingly, BRTM respectfully requests that it be allowed to intervene as a party in the above-captioned proceeding.

II. COMMUNICATIONS

All materials and communications relating to these proceedings should be served on the following:

Stephen T. Greenleaf
Senior Director, Regulatory Affairs & Policy, Western U.S.
Brookfield Renewable U.S.
1568 Oglala Street, South Lake Tahoe, CA 96150
