Pursuant to the notice appearing in the Federal Register on December 1, 2020, regarding the Bonneville Power Administration’s (“BPA”) Fiscal Year 2022-2023 Proposed Power and Transmission Rate Adjustments (85 Fed. Reg. 77189) and Section 1010.6 of BPA’s Rules of Procedure Governing Rate Hearings, Invenergy LLC (“Invenergy”) respectively petitions for intervention as a party in Docket No. BP-22.

In support of this request, Invenergy states as follows:

I. PETITION TO INTERVENE

Invenergy owns and operates the Grays Harbor Energy Center and the Willow Creek Energy Center, both located within BPA’s Balancing Authority Area. Through various subsidiaries and affiliates, Invenergy is a BPA transmission, interconnection and control area service customer. As such, Invenergy has a direct interest in all issues that do or could affect its transmission, interconnection, and control area service rate levels or terms and conditions of service. Invenergy’s interest cannot be adequately represented by any other party.
