

LEGAL STATUS

This site displays a prototype of a "Web 2.0" version of the daily Federal Register. It is not an official legal edition of the Federal Register, and does not replace the official print version or the official electronic version on GPO's govinfo.gov.

The documents posted on this site are XML renditions of published Federal Register documents. Each document posted on the site includes a link to the corresponding official PDF file on govinfo.gov. This prototype edition of the daily Federal Register on FederalRegister.gov will remain an unofficial informational resource until the Administrative Committee of the Federal Register (ACFR) issues a regulation granting it official legal status. For complete information about, and access to, our official publications and services, go to [About the Federal Register](#) on NARA's archives.gov.

The OFR/GPO partnership is committed to presenting accurate and reliable regulatory information on FederalRegister.gov with the objective of establishing the XML-based Federal Register as an ACFR-sanctioned publication in the future. While every effort has been made to ensure that the material on FederalRegister.gov is accurately displayed, consistent with the official SGML-based PDF version on govinfo.gov, those relying on it for legal research should verify their results against an official edition of the Federal Register. Until the ACFR grants it official status, the XML rendition of the daily Federal Register on FederalRegister.gov does not provide legal notice to the public or judicial notice to the courts.

LEGAL STATUS

2025 Donald J. Trump Executive Orders

[view all Presidential Documents \(/presidential-documents\)](#)

In 2025, Donald J. Trump signed 111 Executive orders (from EO 14147 through EO 14257).

This page contains documents that have been published in the Federal Register.* Because the White House cannot deliver a document to the Office of the Federal Register (OFR) until after the President signs a document, there is always a delay (of at least one day, typically of several days) between when the President signs a document and when it is published. Once received, OFR gives presidential documents priority processing and documents will appear on public inspection the business day before publication. If you are looking for a recently-signed Presidential document, you may wish to check the White House [website](https://www.whitehouse.gov/briefing-room/presidential-actions) (<https://www.whitehouse.gov/briefing-room/presidential-actions>).

These 111 Executive orders can be downloaded in [CSV/Excel \(/documents/search.csv?conditions%5Bcorrection%5D=0&conditions%5Bpresident%5D=donald-trump&conditions%5Bpresidential_document_type%5D=executive_order&conditions%5Bsigning_date%5D%5Bgte%5D=01%2F20%2F2025&conditions%5B](#) and [JSON \(/documents/search.json?conditions%5Bcorrection%5D=0&conditions%5Bpresident%5D=donald-trump&conditions%5Bpresidential_document_type%5D=executive_order&conditions%5Bsigning_date%5D%5Bgte%5D=01%2F20%2F2025&conditions%5B](#) formats. More information about our APIs and other developer tools can be found on our [developer pages \(/reader-aids/developer-resources\)](#).
